*Office Memorandum* • UNITED STATES GOVERNMENT

TO : Projects Review Committee

DATE: 19 October 1951

FROM : Comptroller .

SUBJECT: [REDACTED] (OPC/NE)

25X1A2d1

1. The project is proposed in the amount of \$14,350 to provide funds to the OPC Chief of Station in [REDACTED] to enable him to take on-the-spot advantage of targets of opportunity as they appear in the [REDACTED] field, without the necessity of specific project approval by headquarters.

25X1A6a

[REDACTED]

25X1X4

3. The project description provides that the funds will not be drawn upon, except on a reimbursable basis, for production materials when such operations are properly chargeable to other projects.

4. Although the project is not specifically provided for in the 1952 Budget, it can be financed from within the overall funds available to OPC for the current fiscal year. If approved, the use of unvouchered funds is recommended.
